MoreHerb S

MoreHerb S, a unique combination of essential oils and herbal extract for respiratory and digestive problems

Composition: peppermint, eucalyptus, thymol, and herbal extract (*Isatis tinctoria* and *Hypericum perforatum*)

Function:

- anti-bacteria, anti-virus and anti-fungus
- stimulate immune system and decrease inflammation from pain, fever, respiratory and reproductive problems
- stimulate nerve system to relax (sedative action)
- de-toxication and heat release for metabolism
- stimulate feed intake with improved digestion and less odor emission
